WASHINGTON, D.C., April 28, 2012 – “*Glory*” is a collection of some of the most memorable athletes and events in British Olympic history, just in time to get excited about the upcoming London Olympic Games. There are 20 recognizable names, such as Sebastian Coe and Steve Redgrave, and 12 not so familiar, but equally unforgettable ones, like swimmer Henry Taylor. Each entry is a quick a one-page summary of Olympic glory.

“‘*Glory*’ is a treasure! Reflecting upon Great Britain’s most inspiring athletes, Tracey takes us on a journey through the heights and depths in the rich history of an accomplished nation. Extensive research and great attention to detail make these stories come alive. May they be remembered always. If you love the Olympics, I recommend ‘*Glory*,’” says Beverly Oden, a member of the 1996 Women’s U.S. Olympic Volleyball team.
